ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record]

In connection with the recent Session of the Representative Assembly at which the Reforms were announced, I made the journey from here to Mysore and back by motor and claimed mileage under art. 632 (6), note 1. This claim was disallowed by the Comptroller and only Railway Fare allowed instead. The difference comes to Rs.55-4-0.

Under the rules in force till recently, the Registrar of Co-operative Societies used to be commanded to attend the Dasara and the Birthday Durbars of His Highness. I had this privilege till last June. Under a revision which, I hear, has been recently made of the list of Officers to whom Durbar invitations should issue, I did not receive an invitation for the Birthday Durbars last June or for the recent Dasara Durbars. In June, however, I was required to proceed to Mysore to attend the Second Session of the Representative Assembly and my claim for mileage was admitted under exception 2

N. B.— Should routine notes be written on small slips, the notes must de copied, or slips pasted on this form.

to Sec. 539 of the M.S.R.

I went to Mysore under exactly similar circumstances last Dasara. If anything, the need for a motor conveyance was greater on this occasion that on the last. But yet the claim made by me is disallowed on the ground that the case is governed not by exception 2 to Sec. 539 but by Sec. 535 (a) This is perhaps technically correct but I venture to submit that I was entitled to claim mileage for the journey in connection with the Second Session of the Assembly, I am equally entitled to do so for the journey in connection with the Dasara.

I beg to bring this fact for such action if any as it may deserve.

This encloses a claim for expenses, but this is not allowed when they go for the first session. It appears to me that this annually should be removed from the Secretary's and allowance for the Census allowance to the first Census, and any special Census.
